Subject: Kennan documents for publication

George Kennan wants the three of us to clear three documents for publication, since such publication has been requested by the Saturday Evening Post, by Wally Deuel, etc.

The documents marked "A" and "B" have been cleared by my office, with small points marked, and are being routed to Mr. Shulman, who should then route them to Mr. Fisher. Mr. Fisher should then return them to Mr. Kennan. The document marked "C" has been cleared by me and by Mr. Shulman. It should be returned directly to Mr. Kennan by Mr. Fisher.

S - Mr. Battle
